

Train Boston Physical Therapy, Inc., the leading physical therapy-based sports-training center in metro-west Boston is seeking well-qualified physical therapists for a part-time to full-time position. You will work alongside a couple of the areas most talented and experienced clinicians. The clinic is a physical therapist, privately owned outpatient sports center located within Train Boston Sports Center in Wellesley Hills.

Our team embraces a holistic, pre-habilitative treatment model, with the primary focus on the prevention and correction of musculoskeletal/neuromuscular pain and dysfunction. Within our center, we incorporate a cross-disciplinary model of physical therapy, personal training, individualized group training, and sports performance conditioning.

Our mission is to provide the highest quality of manual therapy and progressive treatments, as well as the latest in strength training, conditioning, and therapeutic exercise techniques for the prevention of future injury. Our clients range from the professional and amateur athlete, the post-operative patient, motivated individuals looking for help solving a chronic injury, and a spectrum of clients from youths to seniors.

The ideal candidate will have:

- (1) At least 3-5 years of experience, a strong manual therapy skill set, progressive exercise understanding, and a background in orthopedic/ sports rehabilitation
- (2) Current MA PT License and demonstrated commitment to continuing education
- (3) Understands the business of physical therapy and is eager to network and grow a practice
- (4) Provider credentials for Medicare and most private insurance plans
- (5) The desire to be a leader in the field of orthopedic and sports medicine with a passion for fitness and sports

We offer:

- (1) Highly competitive compensation
- (2) Complimentary health club membership for employees and immediate family

If interested please forward resume, including continuing education to [tsherman@trainboston.com](mailto:tsherman@trainboston.com) or fax 781-263-9996
